Dear Meyerholz Parents & Students,

Welcome to the 2010-2011 school year! I'm excited to be the new principal at this school. We opened school today with over 700 students. I was so excited to see all the children's bright faces today and look forward to meeting many parents soon. I especially want to welcome all the new families to Meyerholz. Be assured that your children come to a safe environment with a dedicated staff of teachers and support personnel.

This packet is filled with valuable information. Effective school to home communication is very important to us. Every Thursday, your child will bring home their Meyerholz folder that will include classroom work, occasional parent letters, etc. Please make sure you take the time to look through this folder every week. Our weekly school newsletter (*The Bulldog*) is posted online at our website: <http://www.cupertino.k12.ca.us/meyerholz.www/>. Please also take a moment to register yourself for our school email list (*Meyerholz Messages*). In doing so, you will receive weekly reminders of the online Bulldog as it is posted, emergency school updates as needed, plus other important school communication. Details on how to sign up for our school email list are also on our website.

As you go through this packet, you will find several items that need to be returned to school. You may return them to your child's teacher. Please note that it is important for the school to keep the most current information on file. Please call the office if you have any changes to your phone number, child's medication, etc.

There are several important dates that I would like to draw your attention to.
