

Meyerholz PTA Volunteer Form 2009-2010

Meyerholz PTA needs you as a parent volunteer. We could not offer the array of services which make our school great without the combined efforts of many, many parents. Join the team. Please fill in the form, get a TB test, and attend a volunteer training session in order to be able to help in your child's classroom, chaperone field trips, and help with PTA committees. Any amount of time you can help is greatly appreciated. Your child will benefit from you being there at school to personally make a difference.
